

Standee Template A4 Portrait - Solid Background
Finished size 210 x 297mm

Front View

Artwork Setup

Set up your artwork to 210mm W x 297mm H.
This includes 5mm bleed around all edges.

Back View

Ensure artwork covers all strut placement areas shown on the back view.
Do not place holes, cut-outs, or transparent areas where the struts will be attached.
The base of the design must remain flat to allow for strut installation and ensure stability.

Standee Template A4 Portrait - Solid Background

Before setting up your artwork, remove the strut element from this template.

Type Safe Area

Please keep all text and logos within the Type Safe Area to ensure that no important information or graphics are lost.
